

# Private Party Bookings

**Let Safety First Nail Spa help you celebrate a special event such as a wedding, birthday, shower, or simply a "girls' night out".**

A party of 4 or more can book out Safety First for your own private party. A deposit of \$20 dollars a person is required and 20% gratuity is included in the bill. You are welcome to bring any food or drinks. A party of 15 or more can celebrate on their own private floor up to 4 hours, with the option of catered food. Understand, we do not provide alcohol. However, if you wish to bring your own food, that is fine with us.

Please allow at least two weeks' notice for any party booking. Thank you.

There will be a \$100 clean up fee for excessive littering.
